533 is out of a 9 year old cow that is one of our foundation mother cows. The dam has had eight calves in which all have been top performing bulls and heifers, heifers have been retained in the herd, some of the bulls have been sent to bull tests. Dam's bloodlines are Sitz Black Cap, Scotch Cap, Leachman Paycheck. The sire is New Design 5K12, a bull that is known for docility and frame, thickness, depth, you name it he had it. Only a hand full of these bulls will be out there because of the fact that New Design 5K12 passed way from injury last spring.

This dam is one of the cows that you could easily pick out of the herd, the words easy keeper might be too tight for such a great looking cow. The selling words for this cow would be "If you put in a little she'll give you a whole lot more." And she is nine years old! She's out of Head of the Class, Hoff Legacy. This bull has been tremendous here at Midland! His dam is 10 years old and is still performing great. She is one of the oldest Black Label cows in our herd. 7X hit a home run for ADG, breeding 7X Lady 51 with New Design 5K12. The sire, New Design 5K12, has been a Midland sire group leader in the top 10 for the past three years.
